

Confused? Don't Be!

With Hocks MultiPack™ all your medications are organized into individual packets that are labeled with the medication, day, date and time to be taken to improve convenience and reduce confusion and the risk of medication errors. By taking your medications correctly with the Hocks MultiPack™ packets you are more likely to stay well, make fewer clinic visits and require fewer hospitalizations. Please notify our Pharmacy at 937-667-5803 at least ten days prior to your next fill to make sure we are aware of any changes your doctor has made to your prescription routine.

- * Hocks MultiPack™ is not child safe packaging.

Hocks MultiPack™

Frequently Asked Questions

What is Hocks MultiPack™?

Hocks MultiPack™ is our compliance packaging that organizes your prescription medications into individual packets. Each packet is labeled with the medication, day, date and time to be taken. Hocks MultiPack™ allows a pharmacist to review your prescription history and make recommendations to monitor and improve your health. It is easier and more convenient to keep track of your medication with the Hocks MultiPack™ system.

What medications can be filled in Hocks MultiPack™?

Your routine maintenance prescription medications can be packaged in Hocks MultiPack™. We cannot package the following medications: soluble medications, "as needed" medications, and certain antibiotics. There is an OTC formulary of the most commonly used over-the-counter medications that can be packaged in Hocks MultiPack™. Your pharmacy team will discuss your medications with you and determine what will be packaged.

I only take one medication. Can I still have it packaged in Hocks MultiPack™?

At this time we are only packaging in Hocks MultiPack™ if you have more than one eligible maintenance medication.

How do I receive my Hocks MultiPack™ prescriptions?

You can pick up your Hocks MultiPack™ at your local pharmacy or have them mailed to you. If you pick up the Hocks MultiPack™ at the pharmacy there is no additional fee. If you choose the mail-out option there will be a standard monthly shipping fee of \$5. If you have not picked up your medications by the time you should begin taking from the new roll, your Hocks MultiPack™ will be mailed to you and you will be charged the \$5 shipping fee.

What will I receive each month with Hocks MultiPack™?

On initial enrollment you will receive a dispenser box that will hold your roll of Hocks MultiPack™. Each month you will receive a new Box of medications. When you run out of the packets, simply start using the new box.

Can I have Hocks MultiPack™ mailed to me?

Yes. We will mail your Hocks MultiPack™ for a \$5 monthly shipping free.

What happens if I get a new medication in the middle of the month?

Your new prescription will be filled with only enough medication to

get to your next refill date, and then will be packaged with the rest of your medications in Hocks MultiPack™ each month going forward.

All my medications are filled on different days. Can I use Hocks MultiPack™?

Yes. We will work with your insurance provider and physician to get all your prescriptions on the same schedule. We will contact you and coordinate the first date for your Hocks MultiPack™. Your medications will be synchronized during your first month of enrollment. Following the initial period, your prescriptions will be filled in Hocks MultiPack™.

How will I know when to take my medication?

Each Hocks MultiPack™ packet is labeled with the medication day, date and time to be taken to improve convenience and reduce confusion and the risk of medication errors. Tear off the packet for the correct date and time and take the medications in the packet. The next dose for you

Can I get my 60 or 90 day prescription filled in the Hocks MultiPack™ packaging?

We currently only offer a 30 day supply of Hocks MultiPack™. With all your medications organized together, and possible changes in your prescription routine, it is necessary to provide no more than 30 days of medication to reduce and eliminate waste. We can fill 60 or 90 day supplies through our Synchronized Prescriptions/Ready Refill program and dispensed in vials.

What should I do if I forget to take a packet or miss a dose?

As with most medications, it may depend on how long it has been since you should have taken your dose. You should contact your pharmacist if you have any questions.

Where should I store my Hocks MultiPack™ dispenser box?

As with all medications they should be stored out of reach of children. Hocks MultiPack™ is not child safe packaging. Do not store box in hot or humid conditions. Keep in a dry spot and out of direct sunlight.

I Have my prescriptions filled by mail order or VA, can I have my prescriptions filled in Hocks MultiPack™?

You will have to contact your insurance company and let them know that you want to receive your medications packaged at your local Hocks Pharmacy and talk through the options to see if that would be possible. Contact our Pharmacy to help you work with your insurance company at 937-667-5803

How do I pay for my Hocks MultiPack™ prescriptions?

You may pay by cash, check, debit or credit card. If you need your Hocks MultiPack™ mailed, you must have a credit/debit card or private charge account on file.

How do I sign up for Hocks MultiPack™?

Visit your local Hocks Pharmacy to enroll or call Hocks Pharmacy at 937-667-5803

Keeping you healthy one pack at a time.
